EDUCATION

BTECH–CSIOT

Qis college of engineering & technology
2023 - 2027

SKILLS

- Java
- Python
- HTML & CSS
- Little bit of javascript

LANGUAGE

English
hindi
Telugu
Urdu

About Me

Second-year QIS College student, effective and interested learner across skills, with strong interpersonal abilities in diverse settings.

WORK EXPERIENCE

Project Intern – Self-Driven Projects
Jan 2025 – Apr 2025

- Phishing Website Detection System
- Developed a phishing detection model using machine learning techniques to identify and prevent fraudulent websites. Implemented data preprocessing, feature extraction, and classification algorithms to enhance detection accuracy. Gained hands-on experience with Python, data science libraries, and cybersecurity fundamentals.
- Study on ATM Machine Background Processing
- Conducted a comprehensive study on the internal processes of ATM machines, including transaction processing, user authentication, and backend systems. Analyzed potential security concerns and suggested improvements for safer banking operations. Strengthened understanding of secure software systems and real-time transaction workflows.
